

1st Annual

# FLORIDA GAS MASTERS

October 21, 22, 23, 2011

[10000 16th St North, St Petersburg, Florida, 33716](http://www.tampa-model-boat-club.com)

**SPONSORED BY THE TAMPA MODEL BOAT ASSN, INC.**

**GX1 Mono, GX1 Cat, GX1 Hydro, GX1 Sport Hydro  
GX1 Twin Rigger, Jersey Skiff, Thunderboat**

Qualifications will be held Friday -- 1 boat at a time against the clock for 2 laps. You will have 2 1/2 minutes ***total time*** to get in as many sets of laps as you can. **You will go onto the qualification list one time for each boat you are running. Your runs will be staggered so you are not "back-to-back". Once you are qualified, you may attempt to re-qualify, but you must scratch your already qualified time.** If you arrive to qualify LATE on Friday, you may or may not get time to make a qualification run. Unqualified boats **will run** in the lowest Mains in each class (***Everyone will get to race***). Qualification/Time trials will start at 8:00 AM and end at Dark. The top times will go into the "A Mains", the next fastest times into the "B Mains", etc. Depending on the number of boats entered, **UP TO 7 BOATS will go into each Main.** The boat you qualify is the boat you race. Top time has choice of frequency for heat racing, next fastest next choice, etc. The Lower Mains (racing will start Saturday Morning). A Mains - will race LAST. The Lowest mains will race FIRST. **The winner of each Main will move up to the "Next Higher Main, then the "Next Higher Main" runs, etc. with the winner of the "B Main" moving up to the "A Main".** All the "A Mains" run LAST. There will be 3 rounds of racing per Main, on Saturday & Sunday. "A Main Winners" will be awarded the Blue Jacket as the Champion of their class. There will be an award for the top qualifier in each racing class. Open Water Thursday 9am to 5pm.

**PRIZES:**     *The "GREEN JACKET AWARD" and Other Great Prizes.*

**FEE:**             *\$20.00 Registration, plus \$8.00 per Boat.*
